

Day 1: 14.6.2018	8:30-15:00	Registration		Lambertisaal
	9:00-9:30	Opening Ceremony Day Chair: Jürgen Mottok		Festsaal
	9:30-10:30	Keynote I: Christof Arn: From Agile Software Development to Agile Teaching: educational forms and methods in times of digital transformation Chair: Jürgen Mottok		Festsaal
	10:30-11:00	Coffee Break		Lambertigang
	11:00-12:00	Session 1: Activating and Active Learning Arrangements in SE I Chair: Jörg Abke		Festsaal
		Rebecca Reuter, Sabrina Jahn, Paula Figas, Alexander Bartel, Jürgen Mottok and Georg Haged	Learning Tasks for Software Engineering Education	
		Jefferson Molléri, Nauman Bin Ali, Kai Petersen, Nasir Mehmood Minhas and Panagiota Chatzipetrou	Teaching students critical appraisal of scientific literature using checklists	
		Eileen Kraemer, Murali Sitaraman and Joseph Hollingsworth	An Activity-Based Undergraduate Software Engineering Course to Engage Students and Encourage Learning	
	12:00-13:30	Lunch Break		Conference Restaurant
	13:30-14:30	Keynote II: Christian Wolff: The Empirical Turn and its importance for software engineering education Chair: Jürgen Mottok		Festsaal
	14:30-15:10	Session 2: Activating and Active Learning Arrangements in SE II Chair: Volkhard Pfeiffer		Festsaal
		Marco Klopp, Carolin Gold-Veerkamp, Patricia Stegmann and Jörg Abke	Using Competency-Oriented Instructional Tasks for Internal Differentiation in Informatics	
		Yuan Fu, Ligia Pastran Reina and Patricia Brockmann	Teaching Global Software Engineering: Experience Report Comparing Distributed, Virtual Collaborative Courses at the Bachelor's and Master's Levels	
	15:10-15:30	Coffee Break		Lambertigang
	15:30-16:50	Session 3: Technologies and Tools in SE Education Chair: Georg Haged		Festsaal
		Florian Hauser, Jürgen Mottok and Hans Gruber	Eye Tracking Metrics in Software Engineering	
	Sarah Müller, Bianca Bergande and Philipp Brune	Robot Tutoring: On the Feasibility of Using Cognitive Systems as Tutors in Introductory Programming Education - A Teaching Experiment		
	Gordon Fraser, Alessio Gambi and José Miguel Rojas	A Preliminary Report on Gamifying a Software Testing Course with the Code Defenders Testing Game		
	Franco Raimondi, et al.	MIRTO: an Open-Source Robotic Platform for Education		
19:00	Conference Dinner		Gotischer Keller	

Day 2: 15.6.2018	8:30-14:00	Registration		Lambertisaal
	9:00-10:00	Keynote III: Bernd Brügge: Online teaching vs. classroom teaching: How to activate students in very large courses Day Chair: Dieter Landes		Festsaal
	10:00-10:40	Session 4: Teaching Project Management Chair: Philip Brune		Festsaal
		Michael Gröschel and Gabriele Roth-Dietrich	Acquisition of practical skills in the protected learning space of a scientific community	
		Jefferson Molléri, Javier Gonzalez-Huerta and Kennet Henningsson	A Legacy Game for Project Management in Software Engineering Courses	
	10:40-11:10	Coffee Break		Lambertigang
	11:10-12:10	Session 5: Programming as a frontier in SE Education Chair: Dany Meier		Festsaal
		Nikita Dümmel, Bernhard Westfechtel and Matthias Ehmman	Effects of a preliminary programming course on students' performance	
		Sachar Paulus, Thomas Smits, Tobias Becht and Serife Kol	Ubiquitous Learning Applied to Coding	
		Ella Albrecht, Fabian Gumz and Jens Grabowski	Experiences in Introducing Blended Learning in an Introductory Programming Course	
	12:15-13:30	Lunch Break		Conference Restaurant
	13:30-14:50	Session 6: Learning Arrangements in Special Fields of SE Chair: Ralf Reissing		Festsaal
		Dave Stikkolorum, Francisco Gomes and Michel Chaudron	Evaluating Didactic Approaches used by Teaching Assistants for Software Analysis and Design using UML	
	Lucas Greising, Alexander Bartel and Georg Hagel	Introducing a Deployment Pipeline for Continuous Delivery in a Software Architecture Course		
	Gero Wedemann	Scrum as a Method of Teaching Software Architecture		
	Georg Hagel, Martina Müller-Amthor, Dieter Landes and Yvonne Sedelmaier	Involving Customers in Requirements Engineering Education: Mind the Goals!		
14:50-15:10	Closing Ceremony and Awards Session Day Chair: Dieter Landes		Festsaal	
15:10-16:00	Final Coffee Break		Lambertigang
